DATA PROTECTION

Your contact details will be shared with the other players in your box to enable you to arrange your matches. If you do not consent to us sharing your contact details, please let us know before the first day of the series.

RULES

- When players first join they shall be placed in a division by the organisers. When new players enter, the coaching team will be contacted to gauge the new player's ability. If unknown, the player will be entered into the bottom box.
- Division sizes shall roughly consist of five or six players. When it is not possible to have the same numbers per division, larger divisions shall be placed above smaller divisions.
- Each match in a division shall be the best of 3 short sets to 4 games with a tie-break at 4 games all, with the third, if required, a championship tie-break to 10 points.
- At the end of the match please enter your score on the webpage you entered on: <https://competitions.lta.org.uk/find/ladder?page=1&Q=atlantic+racquet+centre>
- It is the responsibility of every player to organise their own matches and submit results by the date requested. Late results will only be accepted at the discretion of the organisers. Please use clubspark to book your courts inside or out.
- You are able to purchase new balls at reception for your match if you'd like, we also offer used balls at a lower price or heavily used hire balls.
- The final position of each division will be decided on the total of wins and losses. Where positions are tied, percentage sets followed by percentage games shall be used.
- Players are encouraged to enter their results digitally/at reception
- Promotion and relegation between divisions shall be 2 players up and 2 players down. Where division sizes vary the priority shall be on promoting players.
- Players will need to 're-enter' each new series and will not be auto-enrolled into the next series.

- Players who have contacted another player twice to arrange a match and been unsuccessful in doing so will be awarded a walk-over at the end of the series and awarded max points for that match.
